

HELSINKI Pride 2026

Helsinki Pride Business Forum 2026

Accessibility information

1. Accessible Entrance (Main Entrance):
 - Door threshold: Max. 2 cm
 - Clear opening width of the door: Min. 85 cm
 - Ramp slope: Max. 8% (level entrance)
2. The event follows the Helsinki Pride Community's Ethical Guidelines: [Ethical Guidelines](#)
3. The event venue follows Helsinki Pride Community's mandatory accessibility criteria for indoor events: [The accessibility guidelines](#)
4. The route to the event space is accessible, and the space itself allows for accessible navigation and movement without an access card (e.g., elevator, cloakroom, toilets, service desk).
5. There are two accessible toilets available at the venue:
 1. First floor: Located right in the lobby.
 2. Second floor: Accessible via an elevator-accessible route.

The toilet facilities are reserved primarily for their intended purpose and are not used as storage space. Accessibility in these facilities is implemented as follows: The clear opening width is at least 85 cm, and the threshold is under 2 cm. There is a free turning space with a diameter of at least 150 cm in front of the door. There is available knee space under the sink, and the toilet bowl is equipped with support grab rails. All operating elements are within reach from the toilet seat, and the emergency pull cord reaches all the way to the floor. The mirror is positioned at a height that allows wheelchair users to see themselves.
